

# Gem, Mineral Society Meets

A good turnout of members and guests of the Vallejo Gem and Mineral Society heard L. J. Bergsten, Oakland, when he spoke on jade at a recent meeting of the group.

There was a short business meeting, during which Paul Doerr, Mr. and Mrs. Albert Reignierd and their son, Steven, were accepted as new members.

Registration now are open for the Society's field trip April 25 and 26 at Folsom Lake.

It also was announced the fourth annual "rock swap" of the Society will be held May 25 in College Park.

Refreshments were served following the meeting.
