

## NAPA SOLANO YOLO COUNTY

### Investigator's Meeting

The Napa Solano Yolo County Investigator's Meeting was held at the Elk's Lodge in Fairfield, on October 14, 1969.

#### Ken Marlow, Napa Sheriff's Office

Ken introduced Mel Nicolae from B.N.G.

Homicide, Berryessa 27 Sept. 1969.

Knoxville area - suspect raveled 475 yards to main highway and down to lake front. Victims laying on a blanket. Went right down to area where they were lying. Suspect could not see victims from the road. Victims 1 & 2 heard someone walking. Victim, male, lying on back; victim, female, lying on victim male's shoulder. Victim female turned around and saw the suspect. By the time victim male turned around to look at suspect, suspect had a hood on. Suspect waved a dark blue steel pistol automatic. Suspect had a hood over head, covering his shoulders to his waist and over his back. He had pa-holes cut out in hood for the eyes. Suspect had a painted drawing of a sniper scope painted on this hood in the chest section. Suspect first stated that this was a robbery and he needed money and a car. Suspect had the victim girl tied up. The victim boy tied with a clothesline type rope, plain plastic cord. Suspect then tied up victim female and then retied victim male. Victim female before being tied, took victim male's wallet from his pocket and threw it on the ground. Suspect told victim to lie on the ground. Suspect put pistol back into his holster. Suspect told victim female to lie on her stomach in which she complied. Suspect stabbed victim female 9 times in the back and arm with the knife. Victim turned over by herself and suspect stabbed her an additional 5 times in the chest area. Approx. 6:15 pm, Officer Slate received a telephone call from a male caller who stated that he wanted to report a murder - no - a double murder. Suspect named the location and the Carminghia car belonging to victims. Telephone call was made from a car wash public phone booth in Napa. Phone was found off the hook by a newspaper reporter that had a police frequency radio. Napa S.O. does have latent palm prints of the suspect. Good cast of a footprint was picked up at scene. Shoe is approx. a 10½D. Suspect figured to weigh approx. 220 pounds, 5'10" to 6'5", real stocky but well built, 25 - 35 yrs. old.

Three young teenage girls in the area of Berryessa near Sugarloaf, at approx. 3:30pm noticed a car pull behind their vehicle when they pulled off the road. They went down to the lake and they noticed a subject fitting the description of the responsible looking down at them. Subject had on dark slacks, dark short sleeved sweat-shirt. Suspect wore dark slacks with baggy pockets with pleats in front of the pants and a dark sweatshirt. At approx. 6:00 pm, a doctor and his son were at the lake and the doctor's son saw a subject fitting the description.

Possible MO of this suspect is to look for a lone vehicle with a male and female in it and attach them, making them his victims. Suspect wrote on door of victim's vehicle with a black felt pen indicating the Vallejo murders by dates. Shoe worn by suspect is a 10½ D Wingwalker shoe, issued to civilian or military personel for wing walking on airplanes or for walking on steel.

Shoe is a GI issue, size 10½ R, military style, ankle length, back of heel has w writing on it of (avon). Shoe has 29 ridges in sole and 14 ridges in the heel. Knife used similar to a bayonet approx. 9 to 11 inch blad. Knife possibly sharpened on both ends. Victim male could see the rivets on the knife handle. Knife also had white tape on it. Suspect had an automatic weapon showed victim male clip containing bullets in clip as he pulled it out of weapon. Victim male states that

weapon is possibly a 45 automatic. Suspect's vehicle possibly a 1966 or 67 model Chev., lt. blue or silver blue in color. Suspect's vehicle track shows where it crossed over victim vehicle's tracks going towards Napa.

Napa S.O. has photographs of tire tracks of suspect's vehicle. Right front tire and left front tire marks left at scene. Left front tire is a different size than the right front tire. This type of tire can belong to a 1962-65 Willys Overland 36-37-39 Chrysler 69 Jeep stationwagon. Suspect passed by 13 telephone booths before using the one to call the police on.
