HOGAN SENIOR HIGH SCHOOL 1965 GRADUATES

More than 400 students will receive Hogan Senior High School commencement ceremonies slated for Friday, June 18, at Corbus Field.

Because of the large seating capacity at Corbus Field, invitations will not be needed for admission to the commencement exercises.

A band concert from 6 to 6:30 p.m., directed by Frank Bigodi, instrumental music instructor at Hogan, will precede the traditional Procession of graduates which will begin at 6:30 p.m. In contrast to past years, the tempo of this year's will be increased to shorten the time that Valjeans may have to brave the uncooperative weather.

Don Hawes, vice president of the senior class, will formally begin the program by leading the flag salute. An invocation given by Rev. John Sublett of the Fellowship Methodist Church will follow. The band will join the choir directed by Mrs. Anita Hanley, vocal music instructor, to present "They Call It Home" by Freddy Grant.

The president of the senior class, Jim Adams, will review the activities and accomplishments of Hogan's third graduating group. Other student speakers will be William Earl of New Zealand, who has been Hogan's American Field Service student for the past year; Alice Roberts and David English who have been selected to represent the class as student speakers on the subject Toward Greater Heights.

A special guest at the event to honor William Earl will be Macdonald Chapman, consul general from New Zealand to the Bay Area, and Mrs. Chapman.

Everett Jones, counselor, will present the class. Acceptance of the class will be done by Dr. Donald Nix, president of the Vallejo School Board. Principal Lee Y. Dean and Vice Principal Philip Bowman will award the diplomas. The ceremonies will close with a benediction by Fr. Vincent Lyons of St. Catherine's of Siena Parish and the recessional of the graduates.

Students who are graduating with honors will have a gold seal on their diploma and will wear a gold tassel cord on their graduation robe.

Hogan's present graduating class, which is the first to have spent all three years at Hogan, has won more scholarships and has had greater participation and success in its activities than previous groups. Among their projects have been a trip to the new country, a banquet, an all-day picnic, a soap drive for the Tom Dooley Foundation, the presenting of a gift to the school, and supporting the library bond issue.
