Part Of Cipher Code Enclosed With Anonymous Letter

Note Tells Of Killings In Vallejo

A threatening letter written by a person who killed three young persons in two separate shootings here and demanding publication of a cipher code message was received by Gibson Publications today.

Although the letter aroused skepticism, it was not completely discounted by authorities and this newspaper. Until proved a hoax, it is being investigated by authorities.

The letter demanded that one-third of the purported cipher code message be printed on the front page this afternoon. Portions of the other two portions was descended of the two San Francisco newspapers in similar letters.

THREAT TOLD
If the cipher is not printed, the claimed murderer wrote, "I will go on a kill rampage" to-night and during the weekend.

SENATE OKESHS BCDC BILL

SACRAMENTO (UPI) — The Senate today passed 24-9 a bill to strengthen the Bay Conservation and Development Commission to insure orderly development of San Francisco Bay.

The bitterly contested measure returned to the Assembly in concurrence in minor amendments that beefed up the anti-fill control powers of the agency.

Sponsors of the measure said they were certain the lower house would send the bill to Gov. Ronald Reagan.

Senate approval came despite last ditch attempts by opponents to block final vote. Senate leaders, Howard Way, R-Exeter, ruled them "out of order."

Sen. Ralph C. Dills, D-all strays people or couples Gardena, who led the assault that are alone, then move on to on the "tough" bay fill bill, killed over a dozen people."

The letter was "signed" with what appeared to be a sketch of the cross-hairs in a telescopic rifle sight.

The envelope, posted in San

Francisco Thursday and carrying

24 cents postage, read:

"Please Rush To Editor" on

CITY SIRENS WILL HERALD SUB CALHOUN

A one-minute test sounding of Vallejo's civil defense sirens timed to coincide with the arrival of the submarine USS Calhoun, SBN 630, at Mare Island Saturday will be conducted, police said today.

The sounding will occur when the Calhoun, scheduled for arrival between 2 and 2:30 p.m., composite a special military battery to set off city-owned property at the foot of Sonoma Boulevard near the seawall just north of Bob's Tow Service on the Celeste leasehold land.

The battery will fire a military salute when the submarine arrives.
