

Police Seek Leads On Tahoe Nurse Last Seen Sept. 6

McClatchy Newspapers Service

SOUTH LAKE TAHOE — Police are seeking information about the mysterious disappearance of Donna A. Lass, a nurse at a Stateline casino who last was seen as she left work Sept. 6.

A male caller advised her landlord and her employer the next day she would not be returning to her apartment or to work because of illness in her family. A sister, contacted by police, stated there had been no illness in the family.

Police found her car in front of the apartment and her clothing and other belongings essentially undisturbed. The missing woman was described as 5 feet, 4 inches tall, weighing about 135 pounds with blue eyes and blonde hair.
