JUDY [REDACTED] MR. BYRD advised that MISS [REDACTED] was a student at the college and had left the college earlier in the afternoon, driving a yellow Datsun. At 2135 hours Reporting Officers put out an All Points Bulletin around the City and County of Napa for this above described vehicle. At 2137 hours Officers received permission to interview the victim BRYAN HARTNELL who was taken to the X-Ray Room for x-rays.

Reporting Officer Det/Sgt. Lonergan attempted to interview BRYAN HARTNELL while in the presence of DONALD JUDAH and hospital attendant CLIFFORD MEAGHER. Sgt. Narlow was called away to answer a phone before the interview got under way. HARTNELL appeared to be in extreme pain and also appeared to be in shock. Reporting Officer Lonergan introduced himself to HARTNELL and asked him to give us any information he had on his assailant.

HARTNELL stated that the assailant was wearing a black ceremonial type hood, square on top, and appeared to be heavy-set, between 200 and 250 pounds. He also stated his assailant had approached both him and MISS SHEPARD with a gun but had stabbed them with a long knife. HARTNELL further stated the gun was in a black holster and the knife was in a sheath. He stated that the attacker was wearing dark clothing, dark jacket and dark pants. HARTNELL further stated that the gun was an automatic pistol and the knife had a black handle and appeared to be homemade.

It should be noted that HARTNELL was very groggy and he was very difficult to interview at that time. Subject was re-interviewed the next day by Det/Sgt. Robertson and gave more complete details. (The report of Sgt. Robertson's interview is attached.)

At 2215 hours R/Os Narlow and Lonergan left the Queen of the Valley Hospital after advising Deputy Sheriffs Allen Brambrink and William Munk to take charge of the clothing of the victims and any other evidence from the victims when it was released from the hospital. Munk and Brambrink were also advised to stand by at the hospital as a security measure until other arrangements could be made.

As Reporting Officers Narlow and Lonergan were arriving at the Napa County Sheriff's Office, they were advised by the Napa Police Department that they had located MISS JUDY [REDACTED] in the downtown Napa area and were bringing her to the Napa County Sheriff's Office. MISS [REDACTED] was interviewed by Lonergan and Narlow at the Napa County Sheriff's Office. She was further identified as MISS JUDITH [REDACTED], a student at Pacific Union College, with a permanent residence address of [REDACTED] Sun Valley, California. MISS [REDACTED] advised that she was with BRYAN [REDACTED]

HARTNELL and CECELIA SHEPARD earlier in the afternoon. She stated that they all left Pacific Union College together at approximately 1:00 P.M. and went to a rummage sale in the City of St. Helena. She stated that BRYAN had bought a T.V. set at the rummage sale and had to transport it back to his room at Pacific Union College. She stated he left CECELIA at the rummage sale as there was not enough room in his car. MISS [REDACTED] stated BRYAN returned to the St. Helena area and picked up CECELIA at approximately 2:00 P.M. MISS [REDACTED] stated as far as she knew, both BRYAN and CECELIA were planning to go to San Francisco when they left her in St. Helena. MISS [REDACTED] stated she had no knowledge of any plans that BRYAN and CECELIA were making to go to the Lake Berryessa area. MISS [REDACTED] stated the last time she saw BRYAN and CECELIA was approximately 2:00 P.M. in the afternoon. The interview with MISS [REDACTED] was terminated at that point.

Det/Sgts. Lonergan and Narlow then proceeded to Lake Berryessa and arrived at the scene of the crime, which was approximately a mile and a half north of Lake Berryessa Park Headquarters, at 2354 hours. The scene was being preserved by uniformed officers and under the direct control of Deputy Sheriffs David Collins and Ray Land. The investigating officers were briefed by Officers Collins and Land as to what had taken place prior to our arrival.

Officers observed a 1956 white Kharman Ghia with a black vinyl top, Oregon license plate 4 U 2040. Investigating officers were shown footprints in dirt area and tire tracks, both believed to have been left by responsible. Investigating officers awaited the arrival of Sgt. Tom Butler who had been called to take photographs of the crime scene area and Sgt. Hal Snook, criminalist for collection and preservation of physical evidence.

R/Os Narlow and Lonergan were advised by Park Ranger Dennis Land who had also arrived at the scene that it was possible to get to the beach area by vehicle from a locked gate approximately one-half mile south of the victim's vehicle. Officers proceeded to the area and arrived at the footpath approximately halfway between the scene of the crime at the beach and the victim's vehicle on the road. At that point, after a brief examination of the footpath area, officers discovered a similar footprint on the footpath to that found at the scene of the victim's vehicle. At that point, due to the lateness and darkness of the hour, Reporting Officers decided to completely secure the area and make a thorough search of the scene at first light.

Officers then exited the crime scene area in the same manner and locked the aforementioned gate leading to this vicinity. Investigating officers along with Park Ranger Dennis Land went to the Berryessa Park Headquarters. At this time Sgt. Narlow

took into his possession certain items belonging to the victims that were taken into evidence by Ranger Dennis Land. These items consisted of a blanket, a pair of man's shoes, a wallet belonging to BRYAN HARTNELL, eyeglasses, and playing cards. Among the various aforementioned items believed to belong to the victims, were numerous strands of white plastic line cut into various assorted lengths, some of which had what appeared to be bloodstains. These items were subsequently turned over to Det/Sgt. Hal Snook for preservation.

Assigned investigators then proceeded back to the scene where the victim's car was parked and assisted Sgt. Snook in the making of the plaster casts. At approximately 0245 hours Sgt. Lonergan, having previously obtained the keys to the vehicle from BRYAN HARTNELL's property at Queen of the Valley Hospital, drove the white Kharman Ghia to the maintenance shop at Berryessa Park Headquarters. The vehicle was parked inside of the maintenance shop building and the building was secured for the evening by investigating officers with the assistance of Park Ranger Dennis Land.

Assigned investigators then returned back to the scene where the victim's vehicle had been previously parked and awaited the arrival of Deputy Sheriffs Allen Brambrink and Mel Fechter who were assigned to security duty in the crime scene area. At approximately 0300 hours officers assumed their duties at the crime scene area and the security was placed under the direction of Deputy Allen Brambrink. Reporting Officers Narlow and Lonergan then returned to their respective residences with plans to continue the investigation at daybreak.

9/28/69 - 0700 hours - R/Os Narlow and Lonergan returned to the scene at Lake Berryessa area, accompanied by Det/Sgt. Harold Snook, Capt. Donald Townsend, and Sgt. James Munk. Officers then assisted Det/Sgt. Snook in tracking the footprints from the vehicle to the scene of the crime by the beach area. (The location and preservation of aforementioned footprints will be detailed in a supplementary evidence report by Sgt. Snook.)

At 0800 hours Reporting Officers Lonergan and Narlow received information via Park Headquarters that a DR. CLIFTON RAYFIELD and his son would like to talk to them at the Spanish Flat Coffee Shop regarding a possible suspect in this crime. At 0912 hours R/Os Narlow and Lonergan contacted DR. R. CLIFTON RAYFIELD and his 16-yr. old son DAVID LEE RAYFIELD at the Spanish Flat Coffee Shop. DR. RAYFIELD gave a home address of [REDACTED], Los Gatos, California (phone number [REDACTED]). DR. RAYFIELD stated that about 6:30 P.M. the previous evening he and his son had parked their car north of Park Headquarters in the general area of the

crime scene. They stated they went down towards the beach area when DAVID RAYFIELD noticed a white male adult subject walking in the area, described as about 5'10", heavy build, wearing dark trousers, a dark shirt with red in it, long sleeves. He stated this subject was carrying nothing in his hands and was apparently just walking alongside the hill area about halfway between the road and the lake. DAVID further stated that when the subject observed him he turned around and walked up the hill in a southerly direction. DR. RAYFIELD and his son stated that they did not notice a vehicle in the area of their vehicle and only this subject at a distance of about 100 yards. They also advised there was a man with two young boys in the area shooting BB guns, but they did not know if this man saw the subject or not. This location was approximately 8/10ths of a mile from the scene of the victim's vehicle. In the opinion of R/Os, it is unlikely, unless this male subject had a vehicle in the immediate area, he could have traversed the area to the scene of the crime on foot. There are four coves of water between the scene of the crime and the area where the doctor saw the subject. The interview with DR. RAYFIELD and his son was terminated at that point.

At 1000 hours R/Os Narlow and Lonergan returned to the scene of the crime and further assisted Sgt. Snook in the collecting and locating of evidence.

At 1320 hours 9/28/69, R/Os interviewed Ranger Sgt. William White at Lake Berryessa Park Headquarters. White was interviewed as to his activities before and during his part in locating the victims the night before. White stated at approximately 1855 hours 9/27/69 he was on routine patrol around the Lake Berryessa area when he received a call from Park Headquarters to proceed to the Rancho Monticello Resort where a person was reporting a possible stabbing. White stated he proceeded to the Rancho Monticello Resort where he was contacted by ARCHIE E. WHITE, MRS. ELIZABETH WHITE, and RONALD FONG. RONALD FONG advised him that he had seen a male and a female victim on the beach area south of Rancho Monticello Resort, hollering that they had been stabbed. Ranger Sgt. White, accompanied by ARCHIE WHITE, ELIZABETH WHITE, and RONALD FONG, proceeded to the beach area via speedboat owned by ARCHIE WHITE. When they arrived on the beach they observed a young female lying on the ground with what appeared to be numerous stab wounds. Ranger Sgt. White stated that the female appeared to be in a great deal of pain. White stated as they discovered the female victim, Ranger Dennis Land arrived at the scene in his pickup truck, carrying a male victim who also appeared to have numerous stab wounds. White stated he immediately radioed in and had Park Headquarters call the Sheriff's Office to dispatch an ambulance and a Deputy.

White stated he attempted to interview both the boy and girl victims while awaiting (cont'd)

arrival of the ambulance. According to White, the male victim said that a male subject approached them, wearing a hood, dressed in dark clothing. The subject was carrying what appeared to be an automatic pistol and stated that he wanted their money and car keys. According to White, the male victim related to him that the subject advised him he was an ex-con out of Colorado and was en route to Mexico. Suspect stated he had to tie them up, and after they were tied the responsible stated, "I'm going to have to stab you." White further related that the male victim advised the responsible, "Stab me first, I can't stand to see her stabbed first." The male victim then advised that the responsible stabbed him numerous times in the back and then stabbed the girl.

The female victim advised White that she could not see the responsible's face as a hood was covering all of his head. She also advised White that the suspect had what appeared to be clip-on sunglasses to cover his eyes.

Ranger Sgt. White stated that this is the most he could get out of either victim as they were both in great shock and pain. White stated that he noticed a lot of blood near the girl's groin area. The interview with Ranger Sgt. White was terminate at that point.

9/28/69 - 1400 hours - Reporting Officers proceeded to the Rancho Monticello Resort and interviewed MR. ARCHIE E. WHITE. (It should be noted that ARCHIE E. WHITE and ELIZABETH WHITE are no relation to Ranger Sgt. White.) ARCHIE E. WHITE is the owner of the Boat Repair Shop at Rancho Monticello Resort. He lives at the Resort and his phone number is [REDACTED]. Also interviewed were MR. WHITE's wife, MRS. ELIZABETH WHITE. MR. and MRS. WHITE advised that they were contacted by RONALD FONG who advised them he had just observed what appeared to be a male and a female subject lying on the beach south of the Rancho Monticello Resort, covered with blood. FONG advised them that the couple had shouted out to him that they had been stabbed and robbed. MRS. WHITE immediately called Park Headquarters and Ranger Sgt. William White arrived at the Resort a short time later. MR. and MRS. WHITE, accompanied by Ranger Sgt. Bill White and RONALD FONG, proceeded to the scene area in one of MR. WHITE's ski boats.

When they arrived on the scene, they observed a young female wearing a sweater dress lying on the beach, covered with blood. When they approached the area she was on her elbows and knees, rocking back and forth as if in great pain. MRS. WHITE stated she immediately attempted to make the victim more comfortable and tried to calm her down until the ambulance arrived. MRS. WHITE stated the girl advised him, "He was a man with a hood... WHITE further advised that the female victim told her that the responsible was wearing glasses, with dark clip-on sunglasses over the hood. She told her that the responsible had a black pistol. MR. ARCHIE WHITE stated he overheard the male victim advise someone that the responsible was wearing gloves. MR. and MRS. WHITE further advised that this is the only information either victim gave them on the responsible, and that they spent the balance of the time attempting to make the victim more comfortable until the arrival of the ambulance.

After the interview with MR. and MRS. WHITE, Reporting Officers Narlow and Lonergan returned to the Napa County Sheriff's Office. At 1620 hours R/O Det/Sgt. Narlow was contacted by a DEAN [] of the Pacific Union College in Angwin (phone number []). DEAN [] advised that three young ladies, students at the college, might possibly have information as to a suspect in the attack at Lake Berryessa. The young ladies were identified as MISS JOANNE [], MISS LINDA [] and MISS LINDA []. DEAN [] advised that these girls had been in the Lake Berryessa area from about 3:00 P.M. to 4:30 P.M. the previous Saturday afternoon. They had observed a male subject in a late model, silver blue Chevrolet, two miles north of the A & W Root Beer stand on Knoxville Road. DEAN [] advised that the girls had told him they were observed out of the car by this subject while they were sunbathing on the beach. They described the subject as approximately 40 years old, 6 feet tall, dressed in dark clothing. Sgt. Narlow dispatched Deputy Sheriff Raymond Land to interview these three girls that evening. (The report of Land's interview is attached.)

Reporting Officers spent the balance of the day and evening going through their investigative notes and issuing a statewide All Points Bulletin.

Monday, 9/29/69 - Reporting Officers Narlow and Lonergan spent the majority of the morning interviewing numerous citizens and officers from other departments regarding this crime and similar crimes. (A general list of possible suspects was begun and they are noted on separate incident reports as to origin of information and description of suspects, attached.)

Reporting Officers were advised by Deputy Sheriff Ray Land who interviewed the three college girls, MISS [], MISS [], and MISS [], that the information appeared to have some merit and advised that the three young ladies would be in the office in the afternoon for further interview.

9/29/69 - 1445 hours - The three young ladies came into the office and were interviewed by R/O Sgt. Lonergan, Sgt. Snook, and Capt. Donald Townsend. R/O Lonergan interviewed a MISS JOANNE MARIE [REDACTED], WFA, 21 years of age, DOB [REDACTED]. Her address at the college is 114 Dauphine, Pacific Union College (phone number [REDACTED], Extension 311), home address [REDACTED] South East 12th, College Place, Washington. MISS [REDACTED] advised R/O that on 9/27/69 at approximately 2:30 P.M. she and her two girlfriends parked their vehicle at a location two miles north of the A & W Root Beer stand on Knoxville Road. When they left their car they noticed a subject driving a late model silver blue Chevrolet, 2-door sedan, pull up behind them. What appeared to be a white male adult was sitting in the vehicle. They did not observe this subject leave the vehicle. The girls proceeded to the beach area and were sunbathing in their bikinis. After approximately one-half hour had passed, they observed what appeared to be the same subject standing within 40 or 50 feet of them, apparently observing them. This subject was described as 6' tall, weighing 200/210 lbs., muscular build, rather nice-looking. Subject was wearing dark pants and a dark pull-over shirt. The subject would stare at the three girls but when they looked up at him he would look away. The subject hung around the area for approximately 45 minutes and then the girls observed him walk up the hill. MISS [REDACTED] stated it was very doubtful that from his vantage point in the vehicle the subject could observe the three girls on the beach. She believes he waited in his vehicle and then followed them down after they were on the beach. MISS [REDACTED] further described the car as appearing very conservative. She stated the car did not appear to belong to any young person such as a teenager. She did state the car had California license plates but did not notice the number.

The other two young ladies, MISS [REDACTED] and MISS [REDACTED] were interviewed by Sgt. Sr and Capt. Donald Townsend. MISS LINDA [REDACTED], who was interviewed by R/O Det/Sgt. MISS [REDACTED] stated she left the Angwin area with two other girls, JOANNE [REDACTED] and LINDA [REDACTED], at approximately 2:45 P.M. 9/27/69. The girls drove through Pope Valley to Lake Berryessa where they parked their vehicle two miles north of the A & W Root Beer stand. MISS [REDACTED] stated she observed a subject go into the parking lot area to the south. Subject went past their vehicle and backed up so their rear bumpers were nearly touching. Vehicle described as a 1966 or 1967 2-door sedan and described the headlights as being long rather than round. The rear window glass was tinted quite dark.

Another vehicle from Angwin with Arizona plates was in the parking area and witness saw the occupants, a MISS DENISE BROWN and a MR. WAYNE HAIGHT. The three girls went (cont'd)

Subject was described by MISS [REDACTED] as approximately 28 years of age, 6' to 6'2" tall, 200/225 lbs., black hair possibly styled, with a part on left, rounded eyes, thin lips, medium nose, straight eyebrows, small ears, well built, rather nice-looking. Subject was wearing a black short-sleeved sweater shirt, bunched up in front, and a white tee shirt hanging out in back, and dark trousers. The three girls left the area about 4:30 P.M. and the subject's vehicle was gone. Witnesses did not observe the subject either leave or get back into his vehicle.

MISS LINDA LEE [REDACTED] was interviewed by R/O Capt. Donald Townsend. MISS [REDACTED] is a WFA, DOB [REDACTED], address [REDACTED] Howell Mountain Road, Angwin (telephone number [REDACTED]). MISS [REDACTED] is employed as a secretary of the college press. MISS [REDACTED] observed the same vehicle which was described as a late model Chevrolet, sky blue in color. The rear tail lights appeared to be long rather than round. MISS [REDACTED] stated they parked their vehicle at approximately 2:55 P.M. and observed the subject in his vehicle at that location. The girls proceeded to the beach and she, MISS [REDACTED], again noticed the subject about 30 to 45 minutes after they were at the beach. She noticed him standing on the bank approximately 45 yards from her location. She described the subject as 6 feet tall, stocky build, about 200 lbs., black short-sleeved sweater shirt, dark blue slacks, and straight dark hair neatly combed. She guessed his age at approximately 30 years. Subject had medium color skin and was not wearing glasses. MISS [REDACTED] stated she thought she saw a white belt around his back but it possibly was a tee shirt hanging out. She further stated that the man was fairly nice-looking, with a round face. MISS [REDACTED] did not observe the subject leave the area in his vehicle.

9/29/69 - 1600 hours - Reporting Officers Sgt. Narlow and Sgt. Lonergan were advised by Capt. Joseph Page that the female victim, MISS CECELIA SHEPARD, had just died at Queen of the Valley Hospital. Capt. Page, who is Chief Napa County Coroner, stated he would handle the case and contact DR. DE PETRIS who would perform the autopsy the next morning. Capt. Page further advised R/Os that the remains would be removed to Morrison Funeral Home where DR. DE PETRIS would complete the autopsy.

At 1945 hours 9/29/69, R/Os Narlow and Lonergan were contacted by Probation Officer H. B. Schotte. Mr. Schotte had observed the footprint design that R/Os had taken at the scene and stated he had knowledge of a possible similar shoe sole design. Mr. Schotte brought into the office a MR. Air Force Base and is a Flight Line Mechanic. He is a retired Master Sergeant in the United States Air Force. MR. [REDACTED] showed R/O a pair of Air Force chukker boots that belonged to him. He described these boots as being Government issue, issued to all Air Force personnel at Lackland Air Force Base, Texas. They are primarily designed as a wing-walker shoe, however according to MR. [REDACTED], most Air Force personnel and many of the civilian personnel employed at Air Force bases had this type of shoe. The sole design of this shoe exactly matched the plaster cast design that Sgt. Snook had taken at the scene of the crime. It should be noted that Det/Sgt John Robertson had attempted to find a similar shoe design at the local shoe stores in the Napa area, with negative results. (Refer Sgt. Robertson's supplementary report.) [REDACTED] was asked if we could keep his shoes for identification purposes and he agreed. [REDACTED] was also advised that this information regarding the type of footprint R/Os had discovered had not been released to the press or general public. [REDACTED] stated he would cooperate with R/Os and keep this information confidential.

9/30/69, 0810 hours - R/O Sgt. Lonergan received a telephone call from a MISS MARILYN DENISE [REDACTED], 18 years of age, DOB [REDACTED]. She stated shortly after they parked the vehicle they observed the victims who were known to them, BRYAN HARTNELL and CECELIA SHEPARD, driving south on Knoxville Road in BRYAN's white Kharman Ghia. She stated as the HARTNELL vehicle drove by, BRYAN waved out the window and said, "Hi, John!", referring to MR. [REDACTED]. MISS [REDACTED] stated that they did not see the HARTNELL vehicle any other time that day.

9/30/69, 0900 hours - R/Os Det/Sgt. Narlow and Det/Gt. Richard Lonergan, accompanied by Sgt. Thomas Butler, proceeded to the Morrison Funeral Home in St. Helena. DE PETRIS and DR. DWIGHT G. STRAUB. DR. DE PETRIS' offices are at 373 Perkins Street, Sonoma (phone number 996-1063). advised that the cause of death was shock and loss of blood brought on by two main stab wounds.

9/30/69, 1430 hours - R/O Det/Sgt. Kenneth Narlow contacted CAPT. [REDACTED] at Travis Air Force Base and arranged for an interview with COL. [REDACTED], CAPT. [REDACTED], and SGT. [REDACTED], to take place on Wednesday morning, October 1st, 1969, at 9:00 A.M. R/Os wanted to talk to someone at Travis regarding the shoeprints that were found on the scene. The remainder of the day and evening was spent in answering phone calls from people who had possible knowledge of the crime.

Wednesday, 10/1/69 - 0900 hours - Sgts. Lonergan and Narlow went to Travis Air Force Base and were present at an interview in Col. [REDACTED] office, who is Commanding Officer in charge of base security. Also present at this meeting besides the aforementioned officers was LT. COL. [REDACTED] of the Office of Special Investigation. Reporting Officers Narlow and Lonergan advised the Air Force personnel present of the portion of the evidence we had discovered at the crime scene and asked them for assistance in locating where this type of shoe was sold or issued.

LT.COL. [REDACTED] advised that his office would assist assigned investigators in attempting to locate the source of the shoe.

Officers were directed to the Base Supply with the assistance of Special Agent DONALD [REDACTED] of O.S.I., at which time it was determined through Base Supply that this shoe in question was of Government issue and that it was not kept in stock at Base Supply, however it was believed that the Sales Store had such an item. It was then explained that if a military person or civilian employee was determined to be in need of such an item, he first reported to the Base Supply, at which time he was issued a purchase requisition which he in turn took to the Sales Store and the type of shoe was issued to the individual and they in turn required the individual to sign the purchase requisition showing that he did receive the item. This purchase requisition states the type of shoe that the individual was to receive, however makes no reference as to size.

Assigned investigators, accompanied by Special Agent [REDACTED], proceeded to the Sales Store located on Travis Air Force Base. After a short period of time R/Os located in stock a shoe fitting the identical description of the artist's sketch drawn from the plaster cast which officers had in their possession. The identical shoe with identical tread was found and a shoe bearing the closest measurements in the artist's sketch drawn from the plaster cast was measured and found to be a size 10¹/₂R in military styling or a 10¹/₂D in civilian equivalent. It was determined through Air Force records that they were unable to furnish officers with the

data regarding the sales of this type shoe due to the fact that no recordings were made of the specific sizes, however purchase records indicate over the past 13 months approximately 100 pairs of this size shoe, namely 10 1/2R, had been purchased and disposed of through sales. Air Force records indicate this type shoe is manufactured by the International Shoe Company, Philadelphia, Pennsylvania, then shipped to Air Force Depot, Ogden, Utah, and from there shipped to the various military installations upon requisition orders.

10/1/69 - 1400 hours - Reporting Officers Narlow and Lonergan then proceeded to the Vallejo Police Department and met with Sgt. Jack Mullanax and Sgt. Duane Nilsson. Officers exchanged information regarding Vallejo's crime of 7/4/69 and our particular incident. Suspect information was exchanged and is listed in the separate suspect file.

Investigating Officers checked to determine the validity of the decoded message and as to how far the original cyphers had been decoded. It was then learned that the message had been decoded by at least two different sources, one being by MR. and MRS. HARDIN of Salinas and the other by the FBI in Washington. It was noted that these cyphers were broken independent of one another and the FBI confirmed the validity of the original decoded message. It was also learned that there was a small portion on the very end of the coded message that had not been decoded for reasons unknown.

The balance of the afternoon and evening Reporting Officers and other investigating officers met to exchange information and further discuss the evidence at hand.

Thursday, October 2nd, 1969, 0845 hours - Reporting Officer Lonergan received a telephone call from Special Agent [REDACTED], OSI, Travis Air Force Base. Subject called to report that approximately 500 to 1,000 of that type of wing-walker shoe have been sold as surplus on the Base. This would be over and above those sold at the Sales Store. Agent [REDACTED] further related he has the names of all the subjects who have purchased this item through surplus and will keep these names available to officers upon request.

The balance of the morning was spent searching fingerprint evidence and answering phone calls from possible witnesses.

Thursday, 10/2/69, 1400 hours - R/Os Narlow and Lonergan attended the funeral services for victim CECELIA SHEPARD. These services were held at the Pacific Union College Church, Angwin, California. Sgts. Narlow and Lonergan positioned themselves (con't'd)

Friday, 10/3/69 - Reporting Officer Det/Sgt. Richard Lonergan contacted JAMES [REDACTED] Napa State Hospital, advised him to set up an interview with a patient who is a possible suspect in our case. The patient is identified as GRIFFIN RAYMOND [REDACTED]. WMA, 20 yrs. of age, DOB [REDACTED], 6'2", 223 lbs. [REDACTED] had previously reported that this subject had left the hospital on a pass Friday evening, 9/26/69, and returned to the hospital Monday afternoon, 9/29/69. R/O in the presence of JAMES [REDACTED] and Security Officer PHIL RYAN interviewed subject [REDACTED]

FRANKLIN was very cooperative and talkative to R/O and went over his activities the prior weekend. Briefly stated, MR. [REDACTED], whose parents live in Vallejo, never left the Vallejo area that weekend and stayed around home talking with his mother, stepfather, and three brothers. After interviewing subject, it was the opinion of R/O Sgt. Lonergan that this subject was not the responsible. He had a definite very fast manner of speaking which was completely opposed to the victim's statement concerning the suspect's voice.

R/O also contacted the mother of the suspect, a MRS. OPAL [REDACTED] at [REDACTED] Hollywood Avenue, Vallejo. [REDACTED] stated more or less the exact same thing that her son had stated as to his whereabouts that weekend. It appears that this subject has a reliable alibi as to his activities and had no access to a vehicle that weekend. This subject was cleared as far as this crime is concerned.

The balance of the morning and afternoon was spent by R/Os Det/Sgts. Narlow and Lonergan going over physical evidence and dictating reports.

9/28/69 - 12:30 P.M. - Reporting Officer John Robertson, Det/Sgt., interviewed one of two victims who were each stabbed numerous times by an unknown assailant. Victim CECELIA SHEPARD and victim BRYAN HARKNELL both had been placed in the Queen of the Valley Hospital intensive care unit. Victim SHEPARD had surgery performed on her earlier in the morning (9/28/69) and was unable to be questioned by the Reporting Officer, however Dr. Ludwig gave permission for victim HARKNELL to be interviewed.

Although victim HARKNELL was heavily sedated, he was able to give R/O a verbal statement. (Note: R/O taped electrically the interview with victim HARKNELL.) Victim HARKNELL related the following.

He had known CECELIA SHEPARD for some time, they were good friends, and she had come to the Napa County area to spend the weekend. She and a female companion, DALORA LEE [REDACTED], [REDACTED] Aspen, Loma Linda, San Bernardino County, Calif. (phone [REDACTED] Ext. 2155) had driven from Southern California and were to drive back Sunday, 9/28/69. Victim stated he and MISS SHEPARD drove to Lake Berryessa, picked a large tree near the shore line where they decided to lie down and enjoy the scenery. While lying on the ground, victim HARKNELL stated he heard a noise and asked MISS SHEPARD if she could hear anything or see anything behind a tree not far from where the couple were lying. MISS SHEPARD told victim HARKNELL she could see a man behind the tree. HARKNELL asked her what he was doing. MISS SHEPARD stated she couldn't tell. HARKNELL stated he (suspect) then came from behind the tree. MISS SHEPARD said, "Oh my God, he has a gun!" Victim HARKNELL stated the man approached the couple, aiming a black steel automatic pistol. The suspect stated he needed a car and money. Suspect stated his car was "hot" and he wanted victim HARKNELL's car keys.

Victim HARKNELL stated he began talking with the suspect, telling the suspect he had no money, only a small amount of change, also that if the suspect was really in need of assistance HARKNELL would attempt to help him. The suspect told victim to get on the ground. Suspect then had MISS SHEPARD tie HARKNELL's hands behind him. HARKNELL stated he attempted to keep the suspect engaged in conversation while suspect was tying the victims.

HARKNELL further stated the suspect was described as follows: Wearing a black hooded mask (cloth), covering suspect's entire head and shoulders, coming down almost to suspect's waist. Victim stated on front of the four-cornered type mask (similar to paper bag in style) there was a symbol, the symbol described as white, approximately 3 x 3 inches in diameter, with a symmetrical cross. Also on the eyelets of the mask was a pair of clip-on sunglasses, the glasses clipped to the eyelets. Victim stated he could also see hair through the mask's eyelets and observed the hair to be dark brown.

Victim stated suspect was wearing a light-weight windbreaker, dark blue or black, pleated slacks (old-fashioned type). Victim could not remember what type of shoes or anything about suspect's hands, could not remember if suspect was wearing gloves.

Victim thought suspect was possibly 20 to 30 years of age by voice concept. Victim stated suspect was 5'8" to 6', 225-250 lbs., dark brown hair, eyes unknown, sloppy dresser, stomach hanging over trousers. Suspect spoke with some

type of drawl, but victim stated it was not a Southern drawl, did not really know what type of drawl, but thought the man was not well educated, but did not feel he was illiterate either. Victim said suspect's voice was moderate in sound, that is, not high or low pitched.

Suspect told victim he was sent to (?) Lodge State Prison (possibly Deer Lodge State Prison), Montana, for a killing. While there (in prison) he killed a guard while escaping. Suspect also told victims he was heading for Mexico, told victim he was flat broke. Victim observed cut-up rope in suspect's rear pocket (trouser's), also stated he was wearing a knife in a case (on belt) on his right side, near front of trousers. Knife description: Appeared to be a long bread knife, 12" long blade, 3/4" wide, hardwood handle, 2 brass rivets holding handle in place, cotton surgical tape wrapped approximately 1" around handle of knife. Knife case possibly made of wood.

Victim asked suspect if suspect's gun was loaded. Suspect removed magazine from handle of pistol and showed victim a bullet removed from gun, bullet described as a possible .45 caliber. Victim did not know what caliber the pistol was.

Suspect had MISS SHEPARD tie HARKNELL's hands behind him, suspect then tied victim SHEPARD's hands, then re-tied HARKNELL's hands, then tied both victims' ankles together, had victims lie on their stomachs. HARKNELL stated suspect said, "I'm getting nervous." This was when suspect was tying MISS SHEPARD's hands, in fact HARKNESS stated suspect got real shaky when he was tying MISS SHEPARD's hands.

Victim HARKNELL then stated that without warning the suspect plunged his knife into the back of HARKNELL. Suspect did this repeatedly, HARKNELL stated he thinks six times. HARKNELL stated he pretended to be dead and the suspect went over to MISS SHEPARD and stabbed MISS SHEPARD repeatedly in the back, and when MISS SHEPARD turned her body over (on back), suspect stabbed her in the lower abdomen. Victim stated suspect stabbed MISS SHEPARD much worse than him. Suspect went into some sort of frenzy when stabbing MISS SHEPARD.

Victim HARKNELL stated suspect left the area after the stabbing. Victim HARKNELL hailed a boat (off shore) and told the man in the boat the couple needed help badly. Victim stated the boat left the area and he (victim) attempted to get help by crawling and walking to the road. (Victim believed he had walked to the road, however had not gone too far from his wounded companion.)

Victim stated he thought suspect had been with the couple for approximately fifteen (15) minutes from time of observing suspect until suspect departed. Victim stated suspect did not take his wallet, although when MISS SHEPARD was tying victim HARKNELL's hands, she reached in his pocket and threw his wallet to suspect. Suspect did not take the wallet or victim's car keys.

Victim stated a man in a pickup truck found him on the road and called an ambulance. Victim stated he estimated one hour in time was involved between the time he and MISS SHEPARD were stabbed until help arrived.

MISS SHEPARD is listed in critical condition.
