

WELLINGTON ART SHOW

Oil Paintings of City at Night Specified for Exhibit.

Wellington, Kas., Nov. 30.
(AP)—An exhibit of oil paint-
ings, open to all Kansas art-
ists, will be sponsored by the
newly-formed Wellington Art
association at its headquarters
in this city January 2. The
entry deadline is January 1.

Skipton Merrill, profes-
sional painter and sculptor, a
founder of the association,
said paintings must follow the
theme of a city at night—not
necessarily a Kansas city—and
be not more than 2x2 feet in
dimension.

The event is the first
scheduled by the association,
which has as its goal creation
of a Sumner County art
museum.
