MURDER  
Homicide

G-84 G-1 909(217) Washington and Cherry Sts. 10-11-69 9:58pm

#1, Upon responding to the above location officers Peda and Pelissetti found Yellow Cab #912 parked at the northeast corner of Washington St. at the corner of Cherry St. The reportee together with two other witnesses, [REDACTED], age 14, and [REDACTED], age 13, same address and phone as reportee, stated that they saw the below described suspect in the front seat of the Yellow cab, mid to passenger side, with the victim slumped partially over his lap. The suspect appeared to be searching the victim's pockets. (Witnesses never heard a gun shot). The suspect then appeared to be wiping (fingerprints) on the interior of the cab, leaning over the victim to the driver's compartment. The suspect then exited the cab by the passenger side front door, also wiping with a white rag, possibly a handkerchief. The suspect then walked around the cab to the driver's side and proceeded to wipe the exterior of the left door area. The suspect then fled (walking) north on Cherry St. toward the Presidio off S.F. R/Os immediately checked the interior of the cab and found the victim to be slumped over the front seat with his upper torso in the passenger side, head resting on the floorboard, facing north. Ambulance was summoned, Code three, and other units were requested for an immediate search of the area. Description was obtained from reportees, whose observation point was directly across the street (50ft.) and unobstructed. Description was broadcast and numerous units responded to institute a search of the area. P.E.H. ambulance #82 responded, steward Dousette, victim was examined and pronounced dead at 10:10pm. Inspector Krake responded and summoned dog units and a fire department "spotlight" vehicle to assist in the search. R/Os called for the Crime Lab, Coroner, Yellow cab officials, and a tow. Assistant traffic manager of Yellow Cab, LeRoy Sweet responded and gave reporting officers the victim's identification. Mr. Sweet further stated the last dispatch given the victim was at 9:45pm to 500 9th Ave. apt.#1. Victim allegedly never arrived at the above location.... contd.pg.1

as the dispatch was reassigned to another cab at 9:58pm. R/Os noted that the meter of the cab was running, indicating that the victim possibly picked up another fare(suspect) en route to his original assignment.(The meter read \$6.25 at exactly 10:46pm) A check with the Yellow Cab Co. revealed the victim arrived at work at approximately 8:45pm and had only one fare prior, that being from Pier 64 to the Air Terminal. Sgt. Falk responded in G-10. Homicide inspectors Armstrong and Toschi responded and took charge. G-40, Lt. Kiel also responded. The military police headquarters of the Presidio of S.F. was notified and an intense search of the Julius Kahn area was made by seven dog units, other Richmond and C.P. units-to no avail. The coroner responded, Deputy Schultz and Kindred and took charge of the deceased. Coroner's receipt attached this report. Crime lab responded and took necessary photographs of the preserved scene-Dagitz and Kirkindal-all physical evidence was retained by crime lab for I.D. The auto, Yellow Cab #912 Calif. Lic. Y17413, was towed to the Hall, impounded for homicide for prints. Tow slip attached this report. Room 100 was notified, given description, and advised to have broadcast continuous throughout the morning as per insp Armstrong's direction. Crime lab's initial investigation showed that the victim was devoid of any U.S.Currency, nor did he have the possession of a wallet; the ignition keys for the cab were also missing.

## #2 SUSPECT:

WMA, in his early forties, 5'8", heavy build, reddish-blond "crew-cut" hair, wearing eyeglasses, dark brown trousers, dark (navy blue or black) "Parka" jacket, dark shoes.

Suspect should have many blood stains on his person and clothing, suspect may also be in possession of the keys to the Yellow Cab, possibly has wallet belonging to the victim. Suspect is armed with a gun. Last seen walking north on Cherry St. from Washington St.

## #3 LOSS to be determined. All property of the victim in possession of coroner.

Physical evidence property retained by crime lab.

Yellow Cab #912 towed to Hall for homicide for prints.
