a mile ahead of them pulled over to the side of the road, got out of his vehicle, and attempted to flag them down. This incident took place near Highway 53 and 580 on 132.

Neither of these subjects could furnish any type of description of the driver of this white 1959 Buick.

According to Sergeant HALL of Stanislaus County Sheriff's Office, he advised both witnesses MORTON and BEAMAN had read an article in the paper regarding the kidnap of victim Kathleen JOHNS, and had decided after reading this article that they should report this incident to the Sheriff's Office, since it apparently took place in the same general area as the incident with victim JOHNS.

The Stanislaus County Sheriff's Office did not make a report regarding this incident with MORTON and BEAMAN, however, all the above information was obtained from Sergeant HALL.

The undersigned along with Detective MC KAY of the Stanislaus County Sheriff's Office made contact at witness Frederick BEAMAN'S residence, 300 Kerr Street, Modesto, however, was informed by his mother, witness Teresa WATSON, that her son has been gone from the residence since Sunday evening, March 22, 1970, and she has not heard from him since that time. Witness WATSON advised that her son was supposed to be staying with a friend by the name of Bill MORTON, however, she has no additional information regarding his whereabouts at this time. A business card was left with witness WATSON, and she advised that she would have her son contact the undersigned officer at this office or have him come to the Stockton area and make personal contact at this office.

The undersigned along with Detective MC KAY of Stanislaus County Sheriff's Office then

attempted to make contact with witness Nillian WORTON, however, received no response at his residence.

Undersigned then proceeded to the Reed and Son Tow Service in Tracy, at which time a search of the victim's vehicle, a 1957 Chevrolet, California license #YL518, was made in an attempt to locate the keys which Officer BAKER advised he had observed on the seat of the vehicle shortly after the fire had been extinguished. This search met with negative results, there were no keys found in the vehicle.

Undersigned made contact with Mr. REED, who is the owner of the Reed and Son Tow Service, and talked to him regarding possible keys of the vehicle, however, he advised that he personally had not observed any keys in the vehicle when he towed the vehicle in from Highway 152, just east of Bird Road.

Mr. RERD advised, however, that the right rear wheel had only two lug bolts on it, and both of these lug bolts were very loose. Mr. RERD advised that he took two of the lug bolts from the right front wheel and put them on the back wheel and tightened the lug bolts up prior to towing this vehicle to his shop on Highway 50 in Tracy.

Mr. REED advised that on March 23, 1970 during the daytime that a man and a lady had come to the Reed and Son Tow Service, and had inquired about the victim's vehicle, the 1957 Chevrolet station wagon, California license MOJ 513, and advised that these two subjects could have possibly obtained the keys from the vehicle, however, he did not know. Mr. REED advised that he assumed these two people were the owners of the vehicle.

While at the Stanislaus County Sheriff's Office, a copy of their crime report regarding the above offense was obtained.

gone down the road a short ways, pulled a U and returned. The suspect offered to give her a ride and her child to the nearest service station to get help and get her vehicle fixed. At this she stated that she accepted.

The suspect went West on Highway 132 and pulled into a Service Station, A Richfield that was closed, it is believed by undersigned that this would be at Chrisman Road. She stated that they went on and drove around for approximately one and one half hours in the rural area. She stated that at one time they did come into a lighted city which she believed to be Tracy and the suspect told her that it was Tracy. She said that she was very scared of this man, did want to get out, but did not tell him to stop the vehicle to let her out although she did say a few times, whats wrong with this station or why can't we go in that station and he said it was not the right one.

Mrs. JOHNS was driven by the suspect back into the rural area and she stated that when they came to a stop sign, she jumped out of the vehicle with her baby and ran away from the suspect across a field and up an embankment in the dark. She said that the suspect turned his lights off, moved a few feet and stopped his vehicle again and waited for approx. 5 minutes and then put his lights on and left the area. He did not leave the vehicle nor did he chase her.

Mrs. JOHNS then got to a roadway or highway, this part is not clear to undersigned
or to the Stanislaus Deputy, Mr. LOVETT but finally did get back on Highway or near a highway
132 where she was given a ride by some people who was from Missouri and took her to Westly-

Since there is no PD and nothing open there, they took her on into Patterson, she was then taken to the Patterson PD who in turn notified the Sheriff's Office in Stanislaus County.

Deputy LOVETT returned to this area to find out exactly where her vehicle was because she did not know and he did not know in what county was her vehicle. When he got to the scene the vehicle was found in the condition mentioned above and was still smoldering.

Undersigned checked the rear wheel, namely the right on it was one lug bolt, nearly tight, another lug bolt loose and the other three lug bolts completely missing. Also the hub cap was gone.

Undersigned checked the area after 40 had been called to take pictures and did locate a hub cap believed to be exactly the same as what was on the rest of the car and this went into ID to have latents. This hub cap should be returned back to Reeds & Son to put into this vehicle after latents removed this evening.

Undersigned contacted the Country Club Fire Department, they in turn would contact the rural fire department in the Tracy area that has jurisdiction for a possible arson investigation.

Undersigned could not smell gas inside the vehicle to tell if this actually was arson, since undersigned has a cold.

Mrs. JOHNS was contacted by Stanislaus County and she agreed to have her car towed as she had no preference. This is the reason undersigned was called.

Mrs. JOHNS was enroute from her home in San Bernardino County to some place in San

Francisco. At this time she is at Patterson, claims to have no funds, don't know where she can be located for further investigation on this case.

According to Deputy LOVETT, at no time did Mrs. JOHNS say that she asked the suspect to let her out of his vehicle nor did she want him to stop and let her go. Undersigned is not sure if this man actually forced her to stay. By the statement given to Deputy LOVETT she was scared of the suspect but actually whether or not she was forced to stay in the vehicle and go with this suspect wanted her to is doubtful and not understood at this time whether this is a kidnap.

Also, Mrs. JOHNS stated to Deputy LOVETT that as best as she could describe the suspect he reminded her of the pictures that she had seen of the Zodiac Killer, she stated that he made some very weird statements of one was, when she asked him, do you help many people out on the road, the suspect said "By the time I get through with them, they won't need my help".

No further action taken.

Bulletin from San Francisco on this case, Inspector Armstrong & Tochi as to their Crime Report 69-6314. Warrant Bulletin 9069. Also, Stanislaus County would like copy of our CR directed to Deputy LOVETT, Detective Division. They will send report information.
