Oceanside Cab Driver Slain

OCEANSIDE (UPI) — Cab driver Raymond Davis, 29, was found shot to death early Wednesday in the alley of an exclusive residential area, the victim of an apparent robbery, police reported.

Coroner Robert Creason said Davis was shot twice.

Police said the victim's billfold and taxi were missing.

Police found Davis lying in a pool of blood at the rear of a house in the St. Malo area.

Officers were sent there when the taxi driver failed to report after taking a fare to the district.
